

ICMQ

CERTIFICATE OF FACTORY PRODUCTION CONTROL

1305-CPD-0615

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Products and systems for the protection and repair of concrete structures

(surface protection systems for concrete and structural and non-structural repair)

Produced by the manufacturer

Mapei S.p.A.

Via Cafiero, 22 – 20158 Milano (MI)

In the factory

Via Mediana - Strada Statale 148 - km 81,3 – 04100 Latina (LT)

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory and that ICMQ S.p.A. has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standards:

EN 1504-2:2004 and EN 1504-3:2005

were applied.

This certificate was first issued on 2008-01-09 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
